

In 2019, WEV celebrates 28 years of providing training, business loans and innovative programs that enable women in Santa Barbara and Ventura Counties to start and grow businesses. We invite you to partner with WEV as a 2019 sponsor to invest in the growth of local businesses, strengthen our community's economy, and empower small business owners to make their dreams a reality. Small business owners are a powerful consumer group who eagerly support companies that invest in our community. Here are some additional details about the major events where our 2019 sponsors will be recognized:

Empowerment is Priceless

WEV's signature breakfast fundraiser on October 25th in Santa Barbara with attendance between 350-400.

League of Extraordinary Women

The League brings together an influential group of high achieving leaders who are inspired to combine their efforts and resources to strengthen women-owned businesses and elevate women in our community. Events held throughout the year will be focused on mentoring and networking.

WEV Celebration

This fall event honors entrepreneurs from the initial launch phase to our Million Dollar Club inductees. Attendees include family, friends and colleagues of the entrepreneurs and other WEV supporters. Approximately 200 people are expected to attend the event held in Ventura.

Since 1991...

6,500+ Participants served through core training and consulting programs

4,000+ Businesses started or expanded with the help of WEV

Over \$4 million Loaned to small businesses through the WEV Loan program

8,700+ Jobs created by WEV businesses

\$300 million Sales revenue generated annually by WEV businesses

2 Offices Serving Santa Barbara & Ventura County

333 S. Salinas Street, Santa Barbara, CA 93103
290 Maple Court, Suite 268, Ventura, CA 93003

Dear Friend,

For 2019, we are focused on how much farther we can and must go to achieve economic justice and equal opportunity for women. Many external obstacles continue to challenge women as they work to grow their businesses and achieve financial security. But WEV knows that with the right kind of support, women can build bigger and stronger businesses and overcome the often unconscious biases they face. We can't anticipate all of the challenges the future may bring. But with your support, WEV will continue to meet those challenges with the kinds of innovative programs and strategies for which we have become nationally recognized.

Marsha Bailey

CEO & Founder
